Dear Dadie, - April 26/11

11 o'clock

Called Joe and he just called me and  
gave me the rates.

It will ~~cost~~ cost you at the rate of .21<sup>¢</sup>  
per hundred pounds to Exeter or (Exeter), but  
no less than 20.000 pounds. Any less  
than that will cost .63<sup>¢</sup> per £. Then you  
will have to take them by trolley to Lemon Cove.  
but they can't give you the rates for that.  
This is by S. P. railway. Grandma is talking  
of coming down Saturday morning and says for  
you to have your mending ready for her. Don't  
pay anything what I told you about the children or  
Hattie, as she is all O.K. I guess.

Wish I could see you. Try to come in  
this week, if you possibly can.

Hope you are well. Edward & Betty are going to school again.  
With love. Nettie.
